to the Directors' Report

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The management of the Company is pleased to present the Management Discussion and Analysis Report (to the extent applicable to the Company) covering overall performance and outlook of its activities.

Economic Scenario and Outlook

Global Economy

According to the International Monetary Fund (IMF), the global economic environment during FY 2025-26 remained challenging, shaped by heightened trade barriers, persistent policy uncertainty, and the escalation of geopolitical tensions, including the conflict in the Middle East. These developments have weighed on global economic sentiment and increased volatility across financial markets. Looking ahead, global growth is projected to moderate to around 3.1% in 2026 marginally lower than the growth in 2025 which was 3.4%. Fiscal policy remained generally measured across major economies, with governments balancing consolidation with targeted support to sustain investment and long-term competitiveness. Monetary conditions gradually eased as inflation moderated, although the pace of disinflation continued to vary across regions, prompting central banks to normalize rates cautiously.

The outlook remains subject to significant downside risks. A prolonged or broader geopolitical conflict, renewed trade tensions, financial market instability, and elevated public debt levels could further weaken growth prospects. At the same time, potential upside risks include faster-than-expected productivity gains driven by technological advancements, including artificial intelligence, and any sustained easing of global trade frictions.

The Reserve Bank of India (RBI), in its April 2026 Monetary Policy Statement, observed that the global economic outlook remains uncertain amid heightened geopolitical tensions, particularly the conflict in West Asia, along with ongoing trade frictions. These factors have led to volatility in global energy and commodity prices and disruptions in supply chains, posing risks to global growth and inflation. While services trade remains relatively resilient, merchandise trade faces headwinds, and the evolving global environment continues to exert pressure on emerging market economies.

Indian Economy

India's economic growth remained resilient during FY 2025-26 despite global uncertainties and geopolitical tensions. India reaffirmed its position as one of the world's fastest-growing major economies, delivering real GDP growth of around 7.4%. The year was marked by strengthening domestic demand, robust public investment, and resilient macroeconomic fundamentals, which supported economic growth even as the global economy continued to face persistent uncertainties and geopolitical challenges.

As per RBI Monetary Policy Statement, the GDP growth for FY 2026-27 is projected to be lower at 6.9% with inflation at 4.6%. The RBI maintained the policy repo rate at 5.25% with a 'neutral' stance to balance growth and inflation considerations. CPI inflation remained within the target range, with manageable pressures from food and energy prices. Overall, the Indian economy continued to demonstrate stability, supported by policy measures, infrastructure spending, and resilient consumption trends.

Annexure-I

to the Directors' Report

NBFC

As per RBI reports, Non-Banking Financial Companies (NBFC) sector remained resilient during FY 2025-26, supported by strong capital buffers, healthy profitability and improving asset quality. The sector remains well-capitalised, with Capital to Risk-Weighted Assets Ratio (CRAR) comfortably above regulatory requirements, reflecting strong financial resilience. Asset quality continued to improve, with Gross Non-Performing Assets (GNPA) levels remaining on a declining trend, while certain segments, particularly microfinance and unsecured lending, continued to warrant close monitoring. Profitability remained healthy, supported by robust net interest margins, while return indicators stayed at comfortable levels. Credit growth steadied during FY 2025-26, supported by improved funding conditions and increased lending activity.

Investment and Credit Companies (NBFC-ICCs) continued to constitute one of the largest segment of the NBFC sector by credit exposure and remained an important component of the financial system's credit intermediation framework.

Your Company

Your Company is a NBFC registered with RBI since 22nd May, 2009. The mainstay of your Company's operations continued to be investments in various companies, under which steady dividend income flows into the Company coupled with sustained appreciation in capital. During the year under review, your Company has earned income in the form of dividends, interest on Loan, interest on bonds and fixed deposits, and profit on sale of investments.

Financial Performance

Your Company's standalone and consolidated financial performance for F.Y. 2025 - 2026 vis-à-vis the previous year is given below:

(Rs. in lakhs)

Particulars	Standalone		Consolidated	
	F.Y. 2025 - 26	F.Y. 2024 - 25	F.Y. 2025 - 26	F.Y. 2024 - 25

Interest Coverage Ratio	NA	NA	NA
Debtors Turnover	NA	NA	NA
Inventory Turnover	NA	NA	NA
Debt Equity Ratio	NA	NA	NA

Notes:

- Above ratios are based on standalone financials of the Company.
- The decrease in the current ratio is primarily attributable to the disbursement of a loan of Rs. 50 crore during the year, which has been classified as a non-current asset, resulting in a reduction in bank balances, current investments, and overall current assets.
- Higher Return on Net Worth is due to higher profitability in current year compared to the previous year.

Asset Liability Management (ALM)

The Company's Asset-Liability Committee (ALCO), set up in line with the guidelines issued by the RBI, monitors asset-liability mismatches to ensure that there is no imbalance or excessive concentration on either side of the Balance Sheet. The Company continues to closely monitor liquidity in the market and as part of its ALCO strategy, maintains a liquidity management desk to reduce its liquidity risk.

Fulfilment of RBI's Norms and Standards

Your Company fulfils the standards laid down by RBI relating to recognition and provisioning of non-performing assets, capital adequacy, statutory liquidity ratio, etc. The capital adequacy ratio of the Company is well above the RBI norm of 15%.

Investments

The portfolio of the Company in quoted investments as on 31st March, 2026 was Rs. 1,68,619.57 lakhs, at market value.

Opportunities, Threats, Risks and Concerns

Your Company holds investments through a diversified portfolio. The growth momentum of the Indian economy bodes well for the growth of the Company due to several measures that have been introduced by the government which are aimed at stimulating domestic demand, including tax incentives and increased expenditure in infrastructure and innovation sectors.

Annexure-I

to the Directors' Report

The business prospects of your Company is closely linked to the performance and growth of the companies forming part of its portfolio. Any positive development in these businesses or sectors present opportunities, while adverse movements or uncertainties in the financial markets or in the operations of the investee companies may pose risks to the Company's performance.

Your Company is exposed to specific risks that are peculiar to its business and the environment in which it operates, which includes market risk, interest rate volatility, execution risk and economic cycle.

- The Company has significant quoted investments which are exposed to fluctuations in stock prices. These investments represent a substantial portion of the Company's core capital and are vulnerable to fluctuations in the stock markets. Any decline in these quoted investments may severely impact its financial position and results of operations.
- Liquidity Risk: Asset / Liability Management: The Company is exposed to Liquidity risk if its assets cannot be readily converted into cash to meet operational or strategic needs. Financial firms are now increasingly focused on asset-liability risk. Asset-liability risk is a leveraged form of risk. The capital of most financial institutions is small relative to the firm's assets or liabilities, hence small percentage changes in assets or liabilities can translate into large percentage changes in capital.

The risk is that the value of assets might fall or that the value of liabilities might rise. The Company is cognizant of the dynamics of this risk and has in place a control structure for closely monitoring incipient signs of risk in this area and to take necessary corrective measures, if needed. The Company's treasury actively manages asset liability positions in accordance with the overall guidelines laid down by the management in the Asset Liability Management (ALM) framework.

The Company is exposed to interest rate risk due to fluctuations in market interest rates, which can impact the returns on its interest-earning investments and the valuation of fixed-income securities. Changes in interest rates may affect the yield on new investments, as well as the market value of existing holdings. The Company actively monitors interest rate movements and adjusts its investment strategy as needed to manage this risk.

- While the Indian economy has shown sustained growth over the last several years, a slowdown could cause the business of the Company to suffer. The Company manages such risks by maintaining a conservative financial profile and following prudent business and risk management practices.
- The risk appetite is determined by the Board from time to time. The Company has in place specially mandated Committees such as ALCO, Risk Management Committee, besides Nomination and Remuneration Committee and Audit Committee.

Internal Control Systems

The Company has an independent internal control system which is commensurate with the size and scale of the Company. It evaluates the adequacy of all internal controls and processes and ensures strict adherence to clearly laid down processes and procedures as well as to prescribed regulatory and legal framework. Conforming to the requirements of regulatory authorities such

Annexure-I

to the Directors' Report

as the RBI and SEBI and consistent with the requirements of the Listing Regulations of the Stock Exchanges, the Company has institutionalized an elaborate system of control processes designed to provide a high degree of assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, reliability of financial controls and compliance with applicable laws and regulations. The Internal Auditors are mandated to carry out periodical audit and report on areas of non-compliances / weaknesses. Corrective actions in case of reported deficiencies, if any, are taken actively to further strengthen the internal control systems. These reports are reviewed by the Audit Committee of the Board of Directors for follow-up action and instructions are issued for taking necessary measures.

Outlook

The Company's present business operations are primarily that of an investment company, future of which largely depends upon financial and capital markets. Your Company has investments in debt instruments (including through mutual funds), financially sound companies and immovable properties. The income from dividends, interest earnings and lending business activities will continue to contribute to the income of the Company. The management is optimistic about the future outlook of the Company. The Company will expand its activities, consistent with its status as a NBFC.

Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking' within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied. Important factors that could make a difference to the Company's operations include changes in Government regulations and tax regime, economic developments within India and abroad, financial markets, etc.

The Company assumes no responsibility in respect of forward-looking statements that may be revised or modified in future on the basis of subsequent developments, information or events. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014. The management of the Company has used estimates and judgments relating to the financial statements on a prudent and reasonable basis, in order that the financial statements reflect in a true and fair manner, the state of affairs and profit / loss for the year. The narrative on our financial condition and result of operations should be read together with our audited consolidated financial statements and the notes to these statements included in the Annual Report.

REPORT ON CORPORATE GOVERNANCE

A. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate governance refers to a combination of laws, regulations, procedures, implicit rules and good corporate practices, which ensure that a Company meets its obligations with the objective to optimize stakeholder value and fulfill its responsibilities to the community, customers, employees, government and other societal segments. SIL's philosophy is to conduct business with highest ethical standards for growth and prosperity of all the stakeholders on a sustainable basis in keeping with its corporate social responsibilities. This philosophy is built on a rich legacy of fair, transparent and effective governance, and led by strong emphasis on human values, individual dignity and adherence to honest, ethical and professional conduct.

The Company believes that a sound governance discipline also enables the Board to direct and control the affairs of the Company in an effective manner and maximize stakeholder value, including the society at large. This is an ongoing process and we continuously endeavor to improve upon our practices in line with the changing demands of business. SIL adopts innovative approaches for leveraging all its resources and encourages a spirit of conversion of opportunities into achievements. SIL's Code of Conduct enables it to reflect the diverse business, cultural and other factors that have a bearing on the health of brand 'SIL'. The Company's governance structure and systems are the foundation which provides and nurtures ramping up of healthy and sustainable growth of human resources, through empowerment and motivation. In this, your Company is guided by its Code on Corporate Governance.

Keeping in view the Company's size, reach, complexity of business and corporate tradition, the Corporate Governance framework is based on the following main principles:

- Strategic supervision by the Board of Directors which is made up of appropriate size, bouquet of experience and commitment to discharge their responsibilities;
- Timely and adequate flow of information to the Board and its Committees for meaningful and focused discussion at the meetings to enable them to discharge their fiduciary duties;
- Independent verification of Company's financial reporting from time to time and on quarterly basis;
- A sound system of internal controls within the risk management framework to mitigate perceived risk factors;
- Timely and balanced disclosure of all material information; and disclosure of all deviations, if any, to all stakeholders;
- Compliance with applicable laws, rules, regulations and guidelines; and
- Transparency and defined accountability.

Annexure-II

report on Corporate Governance

The Board of Directors play an active role in fulfilling its fiduciary obligation to members by efficiently overseeing management functions to ensure their effectiveness in delivering member value. The governance framework is made effective through an efficient system of timely disclosures and transparent business practices.

B. BOARD OF DIRECTORS

The Board of Directors which is a body formed to serve and protect the overall interest of all the stakeholders, provides and evaluates the strategic direction of the Company; formulates and reviews management policies and ensures their effectiveness. The Director-in-Charge of the Company along with the Managing Director manages the business of the Company under the overall superintendence, guidance and control of the Board, assisted by a competent team.

COMPOSITION

The Company strives to attain a balanced Board with optimum combination of Executive and Non-Executive Directors, including independent professionals, who play a crucial role in Board processes and provide independent judgment on issues of strategy and performance. BOARD INDEPENDENCE

Our definition of 'Independence' of Directors is derived from Regulation 16(1)(b) of the Listing Regulations, 2015 and Section 149(6) of the Companies Act, 2013 (the Act). Due to promulgation of Section 149 of the Act and Regulation 25 of the Listing Regulations, 2015, Independent Directors can be appointed for 2 fixed terms of maximum five consecutive years each and they shall not be liable to retire by rotation. Therefore, the Company has appointed/re-appointed all the existing Independent Directors for a term of five consecutive years in compliance with the aforesaid provisions. The Company has issued formal letters of appointment to all the Independent Directors as prescribed under the provisions of the Act and the terms and conditions of their appointment have been uploaded on the website of the Company.

The Company has received declarations from all the Independent Directors confirming that they meet the criteria of independence as specified under Section 149(6) of the Act and Listing Regulations, 2015 and that they are qualified to act as Independent Directors.

In the opinion of the Board, the Independent Directors fulfil the conditions specified in the Listing Regulations, 2015 and are independent of the management.

As required under the Act, the Independent Directors held a separate meeting in a financial year to assess the functioning of the Board and to evaluate the performance of the Non-Independent Directors and Chairman.

The maximum tenure of the Independent Directors is in compliance with the provisions of the Listing Regulations, 2015 and the Act.

Mr. Suresh Kumar Khandelia was appointed as an Independent Director of the Company w.e.f. 01st January, 2026 for a period of 5 (five) years.

FAMILIARIZATION OF BOARD MEMBERS

At the time of appointing a new Director, a formal letter of appointment is given to the Director, inter alia, explaining their roles, duties and responsibilities. The Director is also explained in detail the compliances required from him / her under the Act, Listing Regulations, 2015 and other relevant regulations and his / her affirmation is taken with respect to the same. As an onboarding process, all new Directors inducted on the Board are taken through a familiarization process whereby information of the Company is shared with the Director.

The provision of an appropriate induction for the Directors and ongoing familiarization initiatives for existing Directors is a major contributor to the maintenance of high Corporate Governance standards of the Company. All newly inducted Directors on the Board are introduced to the Company's culture through appropriate orientation, presentations made by senior management to provide an overview of the Company's business. They are also

Annexure-II

to the Directors' Report

introduced to the organization structure, board procedures, matters reserved for Board, major risks and risk management strategy. The Independent Directors, from time to time, request the management to provide detailed understanding of the activity or process of the Company. The management provides such information to the Board from time to time.

The induction process is designed to:

- build an understanding of SIL, its businesses and the markets and regulatory environment in which it operates;
- provide an appreciation of the role and responsibilities of the Director;
- fully equip Directors to perform their role on the Board effectively; and
- develop understanding of the Company's people and its key stakeholder relationships.

The Directors are also kept informed about market trends, changes in governing laws and regulations, etc.

The details of familiarization programme is available on the website of the Company at the web link: <https://www.silinvestments.in/pdfs/SIL-FamiliarisationProg-IndependentDirectors.pdf>

BOARD MEETINGS AND PROCEDURE

The Board meets at least once in every quarter, inter alia, to review the quarterly results and other items on the agenda and minimum 4 (four) pre-scheduled Board meetings are held every year. Apart from the above, additional Board meetings are convened by giving appropriate notice to address specific needs of the Company. In case of business exigencies or urgency of matters, resolutions are passed by way of circulation.

During the year under review, six Board meetings were held on 05th May, 2025; 16th June, 2025; 14th August, 2025; 12th November, 2025; 21st November, 2025; and 04th February, 2026. The meetings were held as per the requirements of business and at intervals within the legally permitted limits. The necessary quorum was present in all the Board meetings. BOARD SUPPORT

The Company Secretary is responsible for collation, review and distribution of all papers submitted to the Board and Committees thereof for consideration. The Company Secretary is also responsible for preparation of the agenda and convening of the Board and Committee meetings. The Company Secretary advises / assures the Board on compliance and governance principles and ensures appropriate recording and circulation of Minutes of the meetings amongst the Directors.

INFORMATION TO THE BOARD

The internal guidelines for Board / Board Committee meetings facilitate the decision-making process at the meetings of the Board / Committees in an informed and efficient manner. Board meetings are governed by a structured agenda. All major agenda items are backed by comprehensive background information to enable the Board to take informed decisions. The Company Secretary in consultation with senior management prepares the detailed agenda for the meetings.

Agenda papers and notes on agenda are circulated to the Directors, in advance, in the defined agenda format. All material information is circulated along with agenda papers for facilitating meaningful and focused discussions at the meeting. Where it is not practicable to attach any documents to the agenda, the same are tabled at the meeting with specific reference to this effect in the agenda. In special and exceptional circumstances, additional or supplementary item(s) on the agenda are permitted. Frequent and detailed deliberation on the agenda provides the strategic roadmap for the future growth of the Company.

A detailed agenda folder is sent to each Director in advance of the Board meetings, covering inter alia, the required information as enumerated in Part A of Schedule II to Regulation 17(7) of the Listing Regulations, 2015. As a policy, all major decisions involving allocation and deployment of funds, investments and capital expenditure, in addition to matters which statutorily require the approval of the Board are placed before the Board for its consideration and directions.

The following information, inter alia, as may be applicable and required, is provided to the Board as part of the agenda papers:

- Quarterly, half yearly and annual results of the Company;
- Minutes of the Audit and other committees of the Board;
- Information relating to recruitment and remuneration of senior level officers just below the Board;
- Materially important legal or taxation matters;
- Status of financial obligations to and by the Company;
- Any significant development in human resources or industrial relations;
- Details of risk exposure and steps taken by management to limit or restrain the risk; and
- Compliance status with any regulatory, statutory or Listing Regulations, 2015 related requirements or in relation to any member services.

Annexure-II

to the Directors' Report

The Board periodically reviews compliance reports of all laws applicable to the Company, as well as steps taken by the Company to rectify instances of non-compliance, if any.

Separate Independent Directors' Meeting

As required under the Act and Listing Regulations, 2015, the Independent Directors met on 30th March, 2026 without the presence of Executive Directors or management representatives. The Independent Directors at their meeting held on 30th March, 2026, inter alia, discussed:

- the performance of Non-Independent Directors and the Board as a whole;
- the performance of the Chairman of the Company, taking into account the views of Executive and Non-executive Directors; and
- the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

In addition to this meeting, interactions outside the Board meetings also take place between the Chairman and Independent Directors.

Board Evaluation / Performance

In terms of the requirements of the Act and Listing Regulations, 2015, the Board has evaluated its own performance, performance of the Directors individually as well as the evaluation of the working of its Committees. A structured questionnaire was circulated, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

The completed evaluation forms were reviewed by the Nomination and Remuneration Committee, in line with Section 178(2) of the Act.

Performance evaluation criteria of Independent Directors

Independent Directors are evaluated based on parameters such as qualification, experience, knowledge and competency, initiative, commitment, independence, independent views and judgement, attendance and participation in the discussion at the meetings, adherence to the Code for Independent Directors of the Company, understanding the environment in which the Company operates and contribution to strategic decision and raising valid concerns at the Board, interpersonal relations with other directors and management, objective evaluation of Board's performance, safeguarding of confidential information and maintaining integrity.

Code of Conduct and Ethics

The Company has formulated a Code of Conduct (the Code) for the entire Board of Directors and Senior Management to avoid a conflict of interest. The Code is derived from three inter linked fundamental principles, namely: good corporate governance, good corporate citizenship and exemplary personal conduct. The Directors and Senior Management have affirmed compliance with the Code for the year 2025-26. A declaration to this effect signed by the Director-in-Charge is attached and forms part of this Report. The Code is available on the Company's website: www.silinvestments.in. There were no material, financial and commercial transactions in which the senior management had personal interest, leading to a potential conflict of interest during the year under review.

Annexure-II

to the Directors' Report

Annexure-II

to the Directors' Report

equity share capital of the Company was held in dematerialized form. The Company has paid the requisite fees to all these authorities for the year 2025-26.

(xiii) Communication to Members

As per circulars issued by SEBI from time to time, it is mandatory for holders of physical securities to furnish PAN, KYC and Nomination / Opt-out of Nomination details before getting any investor service request processed. Security holders holding securities in physical form, and who have not updated / submitted PAN, KYC or Nomination / Opt-out of Nomination, shall be eligible to receive dividend only through electronic mode with effect from 1st April, 2024.

Members who are yet to update details in their physical folios are, therefore, urged to furnish PAN, KYC and Nomination / Opt-out of Nomination by submitting the prescribed forms duly filled, to the RTA by email from their registered email id to Investor.helpdesk@in.mpms.mufig.com or by sending a physical copy of the prescribed forms duly filled and signed by the registered holders to MUFG Intime India Private Limited at C-101, Embassy 247, Lal Bahadur Shastri Marg, Vikhroli (West), Mumbai 400 083. In accordance with SEBI circular, the Company has sent / will be sending out intimations to those members, holding shares in physical form, whose PAN, KYC and / or Nomination details are not updated, requesting them to update the details.

Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated 25th January, 2022 has mandated companies to issue securities only in demat form while processing service requests viz. issue of duplicate securities certificate; Claim from Unclaimed Suspense Account; Renewal / Exchange of securities certificate; Endorsement; Sub-division / Splitting of securities certificate; Consolidation of securities certificates / folios; Transmission and Transposition. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR - 4, the format of which is available on the Company's website under the link at <https://www.silinvestments.in/ImportantAnnouncementforPhysicalShareholders.aspx>

Members holding shares in physical form are requested to dematerialize their holding at the earliest to get inherent benefits of dematerialization and also considering that physical transfer of equity shares / issuance of equity shares in physical form have been disallowed by SEBI.

(xiv) Outstanding GDRs / ADRs / Warrants or any convertible instruments, conversion date and likely impact on equity

As on date there are no outstanding warrants or any convertible instruments. The Company has not issued GDRs / ADRs.

(xv) Commodities price risk or foreign exchange risk and hedging

The Company is not dealing in commodities and hence disclosure relating to commodity price risks and commodity hedging activities is not applicable.

(xvi) Share transfer system

To expedite share transfer, authority has been delegated to the Stakeholders Relationship Committee of the Board. The Committee considers requests for transmission, issue of

Annexure-II

to the Directors' Report

duplicate certificates, issue of certificates on split / consolidation / renewal, etc. and the same are processed and delivered within 15 days of lodgement, if the documents are complete in all respects. The Secretary of the Company has been authorized to approve the requests for transmission, effecting change of name, etc. to expedite requests from members.

As per the provisions of Section 72 of the Act, facility for making nomination is available for the members in respect of shares held by them. Members holding shares in physical form may obtain a nomination form (Form SH-13), from the Company's RTA or download the same from the Company's website through the weblink at: <https://www.silinvestments.in/pdfs/ImportantAnnouncementforPhysicalShareholders/4.%20FORM-SH-13.pdf>

Members holding shares in dematerialized form should contact their Depository Participants (DP) in this regard.

(xvii) Special Window for lodgement of physical share transfer requests

SEBI vide its Circular dated 06th February, 2026, has opened a special window, as per mandate, till 4th February, 2027, to facilitate lodgement of transfer requests executed before 01st April, 2019 but were either not lodged for transfer or were lodged and subsequently rejected, returned or not processed due to deficiency in the documents. Eligible Members are requested to submit their transfer requests along with original share certificate(s), transfer deed(s) and other requisite documents before 04th February, 2027, to the Company/RTA. Securities transferred through this mechanism shall be credited only in dematerialized form and will remain under a one year lock-in, during which they cannot be transferred, lien-marked, or pledged. The Company has communicated the opening of this special window through newspaper advertisements which are available on the website of Company at www.silinvestments.in

(xviii) Initiatives taken by IEPF Authority

The IEPF Authority launched a 100 day campaign, Saksham Niveshak in July 2025 to enhance investor awareness and expedite resolution of pending matters relating to unclaimed dividends, shares transferred to IEPF and updating of KYC & nomination details. In support of this initiative, the Company has published newspaper advertisements urging Members to update their KYC and claim their unclaimed dividend(s). The Company's RTA also conducted a special drive to process unclaimed dividends, enabling payment of multiple outstanding dividend(s) to members who updated their bank details.

The IEPF Authority has additionally introduced an integrated digital platform to streamline claim processes and improve grievance redressal. Member/Claimant may also contact the Authority through the 24x7 Interactive Voice Response System ("IVRS") by dialing five-digit short code 14453. The IVRS support shall be available round the clock, while call centre can be reached from 9:30 a.m. to 5:30 p.m. (IST) Monday to Friday.

L. INVESTOR SAFEGUARDS AND OTHER INFORMATION

(i) Dematerialization of Shares

Members are requested to convert their physical holdings to demat / electronic form through any of the registered Depository Participants (DPs) to avoid the hassles involved in dealing in physical shares such as non-transfer, possibility of loss, mutilation, etc. and also to ensure safe and speedy transaction in respect of the shares held.

(ii) Updation of Bank Account and Other Details for Electronic Payment of Dividend

Electronic remittance of dividend ensures timely credit without the risk of loss or delay in postal transit. Members holding shares in electronic (dematerialized) form are requested to register or update their bank account details, PAN, KYC and nomination particulars directly with their respective Depository Participants (DPs). Members holding shares in physical form are requested to furnish or update their bank account details, PAN, KYC and other particulars with the Company's Registrar and Share Transfer Agent (RTA) by submitting Form ISR-1, along with the requisite supporting documents, so as to enable the Company to remit dividends, if declared, directly to their bank accounts through electronic mode. Where the bank account details furnished require confirmation of signature, members are additionally required to submit Form ISR-2, duly attested by their banker.

Annexure-II

to the Directors' Report

(iii) Transfer of unclaimed dividend to Investor Education and Protection Fund

Under the Act, dividends which remain unclaimed for a period of seven consecutive years are required to be transferred to Investor Education and Protection Fund (IEPF) administered by the Central Government. Dates of declaration of dividends since 2018-2019 and the corresponding dates when unclaimed dividends are due to be transferred to the Central Government are given in the table below:

Financial Year Ended	Date of Declaration of Dividend	Amount remaining unclaimed/unpaid as on 31.03.2026 (Rs.)	Last date for claiming unpaid Dividend amount (on or before)	Last date for transfer to IEPF
31.03.2019	22.08.2019	80,424.00	28.09.2026	28.10.2026
31.03.2020	16.09.2020	1,27,896.97	23.10.2027	22.11.2027
31.03.2021	31.08.2021	1,22,414.40	07.10.2028	06.11.2028
31.03.2022	30.08.2022	1,08,063.90	06.10.2029	05.11.2029
31.03.2023	19.08.2023	97,796.50	25.09.2030	25.10.2030

Members are once again requested to utilize this opportunity and get in touch with Company's Registrar and Share Transfer Agent - MUFG Intime India Private Limited for encashing the unclaimed dividends standing to the credit of their account.

Members are further requested to note that after completion of seven years, applications will have to be made to the IEPF authority for claiming the dividend not claimed and no claims shall lie against the Company for the amounts of dividend so transferred to the IEPF authority.

(iv) Update Address / Bank Details

To receive all communications / corporate actions promptly, members holding shares in dematerialized form are requested to update their address / bank details with the respective DPs and in case of physical shares, the updated details have to be intimated to the Registrar and Share Transfer Agent.

(v) Consolidate Multiple Holdings (in respect of physical holdings)

Members are requested to consolidate their shareholdings held under multiple folios to eliminate receipt of multiple communications and this would ensure that future correspondence / corporate benefits could be sent to a consolidated folio.

(vi) Registered email address

The Ministry of Corporate Affairs has taken steps to encourage 'Green Initiative in Corporate Governance' by issuing various circulars whereby companies are permitted to send Notice / Documents including Annual Report in electronic mode (hereinafter 'Documents'), provided the Company has obtained email address of its members for sending these Documents through email by giving an advance opportunity to every member to register their email addresses and changes therein from time to time with the Company.

Annexure-II

to the Directors' Report

Accordingly, members holding shares in physical form are requested to register their email addresses and changes therein from time to time, by directly sending the relevant email addresses along with the details such as name, address, folio no., no. of shares held to the Registrar and Share Transfer Agents, MUFG Intime India Private Limited.

In respect of shares held in electronic form, the email address along with DP ID / Client ID and other member details as mentioned above, should be registered by the members with their respective DPs. Upon registration of the email address, the Company proposes to send notices and documents, in electronic form to such members.

Independent Auditor's Report

To the Members of

SIL INVESTMENTS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying IndAS Standalone Financial Statements of **SIL Investments Limited** ("the Company"), which comprises of the Balance sheet as at 31st March 2026, the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of cash flows and Statement of changes in equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, and its loss (Financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have identified the following matters as key audit matters to be reported in our report:

Independent Auditor's Report

Key audit matters	How our audit addressed the key audit matter
Valuation of Investments	
Refer Note No. 6 to the standalone financial statements. As at 31 st March, 2026, the total carrying value of investments were Rs. 202,873.08 Lakhs. Investments include quoted and unquoted equity shares, bonds, alternate investments funds and mutual funds. Fair valuation of unquoted investments involves significant estimation uncertainty, subjective assumptions and the application of significant judgment. This was an area of focus for our audit and the area where significant audit effort was directed.	Principal audit procedures followed: • Understanding of the process, evaluating the design and testing the operating effectiveness in respect of valuation of investments by management. • Evaluating management's controls over collation of relevant information used for determining estimates for valuation and impairment testing of investments. • Reconciling the financial information mentioned in fair valuation and underlying source details. Also, testing the reasonableness of management's estimates considered in such assessment. • Obtaining independent valuation reports of investments in unquoted investments and involving valuation specialists to test the appropriateness of the fair value of these investments. • Assessing the factual accuracy and appropriateness of the financial statement disclosures made in the financial statements in respect of investments.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report including management discussion and analysis and a Report on Corporate governance but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under

Independent Auditor's Report

section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to the going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
2. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

Independent Auditor's Report

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
3. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.
 4. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 5. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 6. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable
- 2 As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the

Independent Auditor's Report

Company so far as it appears from our examination of those books. except for the matters stated in "paragraph-vi" below on reporting under Rule 11(g).

- (c) The Standalone Financial Statements dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the Directors as on 31st March, 2026 taken on record by the Board of Directors, none of the Directors are disqualified as on 31st March, 2026 from being appointed as a Director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (g) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations on its financial position in the Standalone Financial Statements Refer Note 32 (b) of the Ind AS Standalone Financial Statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delays in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been

Independent Auditor's Report

received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend. As stated in note 36 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software at application level. However, for the database level we are unable to comment as the necessary information required for Reporting under this section was not available. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention since the audit trail was enabled i.e. 10th May 2023.
- vii. In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid / provided by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act

Annexure "A"*to the Independent Auditor's Report*

The Annexure referred to in Paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" in our Independent Auditor's Report to the members of **SIL Investments Limited** for the year ended 31st March, 2026.

As required by the Companies (Auditors Report) Order, 2020 and according to the information and explanations given to us during the course of the audit and on the basis of such checks of the books and records as were considered appropriate we report that:

- (i) (A) a) The Company has maintained proper records showing full particulars including quantitative details and situation of its Property, Plant and Equipment.
 - b) Since the Company does not have any intangible assets, paragraph 3 (i)(A)(b) of the said Order is not applicable to the Company.
- (B) Property, plant and equipment have been physically verified by the management during the year, which in our opinion is reasonable, considering the size of the Company and the nature of its assets. The frequency of verification is reasonable, and no material discrepancies have been noticed on such physical verification.
- (C) According to the information and explanations given to us and on the basis of our examination of records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Standalone Financial Statements are held in the name of the Company as at the balance sheet date.
- (D) The Company has not revalued its Property, Plant and Equipment (including investment property) and its intangible assets or both during the year.
- (E) According to the information and explanations given to us and on the basis of our examination of records of the Company, there is no proceeding have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The Company being a Non-Banking Financial Company (NBFC) is primarily engaged in investment in securities, debentures and other products. Accordingly, it does not hold any inventories at the year end hence paragraph 3(ii)(a) of the Order is not applicable
 - (b) During any point of time of the year, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets hence paragraph 3(ii)(b) of the Order is not applicable.
- (iii) a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, during the year the Company has granted loans to a company in respect of which the required information is as below. The company has however not provided advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties during the year.

Annexure "A"*to the Independent Auditor's Report*

Particulars	Amount (Rs. in lakhs)
Aggregate amount provided during the year

- b) During the year, the investments made by the Company and the terms and conditions of the loans granted to companies are, prima facie, not prejudicial to the interest of the Company. The Company has not provided any advances in the nature of loans, or stood guarantee, or provided security to companies, firms, Limited Liability Partnerships or any other parties.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, schedule of repayment of principal and payment of interest have been stipulated and the borrower have been regular in the payment of the principal and interest.
- d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given;
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to same parties;
- f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment;
- iv) In our opinion and according to the information and explanation given to us, Loans and Investments respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable have been complied with by the Company.
- v) The Company has not accepted any deposits or amount which are deemed to be deposit from the public.
- vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for the Company hence paragraph 3(vi) of the Order is not applicable.

Annexure "A"*to the Independent Auditor's Report*

- vii) a) The Company has been regular in depositing undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax and other material statutory dues applicable to it to the appropriate authorities. Considering the nature of business that the Company is engaged in, Sales Tax, Custom Duty, Excise Duty and Value Added Tax are not applicable to the Company. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax and other material statutory dues in arrears as at 31st March, 2026 for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, there are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, and other statutory dues which have not been deposited on account of any dispute.
- viii) According to the information and explanations given to us and based on our examination of records of the Company, there are no transactions which are not recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix) In our opinion and according to the information and explanation given to us the Company does not have any loans or borrowings. Accordingly para 3 (ix) (a) to (f) of the order is not applicable to the Company.
- x) a) The Company has not raised any money by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions of Clause 3(x)(a) of the Order are not applicable to the Company.
- b) Since the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year Clause 3(x)(b) of the Order are not applicable to the Company.
- xi) a) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies.
- c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year".
- xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Hence paragraph XII (a), (b) & (c) of the Order are not applicable to the Company.

Annexure "A"*to the Independent Auditor's Report*

- xiii) According to the information and explanations given to us and based on our examinations of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable. The details of such related party transactions have been disclosed in the Ind AS Standalone Financial Statements as required by applicable accounting standards.
- xiv) a) According to information and explanation provided to us and the audit procedures performed by us, the Company has an internal audit system commensurate with the size and nature of its business;
- b) According to information and explanation provided to us and the audit procedures performed by us, we have received and considered the internal auditor's report.
- xv) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with the directors or persons connected with them during the year under review. Accordingly, paragraph 3 (xv) of the Order is not applicable to the Company.
- xvi) a) The Company has obtained the requisite registration as a Non-Banking Financial Institution under section 45 – IA of the Reserve Bank of India Act, 1934.
- b) According to the information and explanation given to us and based on our examination of the records the Company has not conducted any Non-Banking Financial or Housing Finance activities and hence the clause 2(xvi)(b) of the said order is not applicable.
- c) According to the information and explanation given to us and based on our examination of the records, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence clause 3(xvi) (c) and (d) is not applicable to the Company.
- xvii) According to the information and explanation given to us and based on our examination of the records of the Company, it has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii) There has been no resignation of statutory auditors during the year and accordingly this clause is not applicable.
- xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the

Annexure "A"*to the Independent Auditor's Report*

Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) (a) According to the information and explanation given to us and based on our examination of the records of the Company, it has already spent the required amount as per the section 135 of the said Act.
- (b) Since there is not any amount remaining unspent under section (5) of the section 135 of the Act and hence clause (xx)(b) is not applicable.
- xxi) There are no qualifications or adverse remarks by the respective auditors in the Companies (Auditors Report) Order (CARO) reports of the companies included in the consolidated financial statements. Accordingly, the requirement to report on clause 3(xxi) of the Order is not applicable to the Holding Company.

Annexure “B”

to the Independent Auditor’s Report

ANNEXURE “B” to the Independent Auditor’s Report of even date on the Ind AS Standalone Financial Statements of SIL Investments Limited for the year ended 31st March 2026.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SIL Investments Limited** (“the Company”) as of 31st March 2026 in conjunction with our audit of the Ind AS Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Annexure "B"*to the Independent Auditor's Report***Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Company Overview and Significant Accounting Policies

1.1 Reporting Entity

SIL Investments Limited ('the Company') is a public limited company incorporated under the Companies Act, 2013 having its registered office situated at Pachpahar Road, Bhawanimandi, Rajasthan-326502. The Company is a Non Deposit taking-Systemically Important (ND-SI) registered with the Reserve Bank of India ('RBI') and engaged in the business of investment and lending activities. Equity Shares of the Company are listed on BSE Limited (BSE), India and National Stock Exchange of India limited.

1.2 Material Accounting Policies

a) Basis of Presentation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act, as amended from time to time and other accounting principles generally accepted in India along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company– Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI.

These financial statements were authorised for issue by the Board of Directors on their meeting held on 12th May, 2026.

The Company presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 45.

b) Basis of measurement

i) **financial instruments** - fair value through other comprehensive income (FVOCI) ;

ii) **financial instruments** - fair value through profit and loss (FVTPL).

Fair value is the price that would be received to sell of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company take into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except measurements that have some similarities to fair value but are not fair value, such as value in use in Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

- **Level 1** inputs are quoted prices /net asset value (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date;
- **Level 2** inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- **Level 3** inputs are unobservable inputs for the asset or liability.

c) Functional and presentation currency

Indian Rupee (Rs.) is the Company's functional currency and the currency of the primary economic environment in which the Company operates. Accordingly, the management has determined that financial statements are presented in Indian Rupees (₹). All amounts have been rounded-off to the nearest lakhs upto two decimal places, unless otherwise indicated.

d) Investment Property**Recognition and measurement**

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any.

Depreciation

Depreciation on investment property has been charged at Straight Line method with reference to the economic useful life of its property, plant and equipment as prescribed by Schedule II of the Companies Act, 2013.

e) Property, Plant and Equipment**Recognition and measurement**

Property, plant and equipment ('PPE') are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably.

Expenditure incurred after the PPE have been put into operations, such as repair and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

Capital work in progress includes cost of assets at sites, construction expenditure and interest on the funds deployed less any impairment loss, if any.

The estimated useful lives and residual values of the PPE are reviewed at the end of each financial year.

PPE, individually costing less than Rupees five thousand, are fully depreciated in the year of purchase.

Gains or losses arising from the retirement or disposal of PPE are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation on property, plant and equipment is provided on Straight Line Method using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013. Depreciation on the Property Plant and Equipment added/discharged off/discarded during the year is provided from/upto the date when added/discharged off/discarded."

f) Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

g) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Interest Income

Interest income is accounted for all financial instruments measured at amortised cost. Interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

Interest income on all financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

Dividend Income

Dividend income is accounted for when the right to receive the income is established, which generally when the shareholders approves the dividend.

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026***Net Gain/ Loss on Fair Value Changes**

Any differences between the fair values of the investment in debt oriented mutual funds classified as fair value through the profit or loss, held by the Company on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain /loss in aggregate, the same is recognised in "Net gains on fair value changes" under revenue from operations .

h) Retirement Benefits**Short-Term Employee Benefits**

Liabilities for salaries and bonus, including non-monetary benefits, if any and accumulating leave balance in respect of employees services up to the end of the reporting period, are recognised as liabilities (and expensed) and are measured at the amounts expected to be paid when the liabilities are settled.

Defined Contribution Plan and Defined Benefit Plan

Contributions to defined contribution schemes such as provident fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

Other Long-Term Benefits

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

i) Income tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in Other Comprehensive Income.

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026***i. Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii. Deferred tax

Deferred tax is provided using the liability method on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternative Tax (MAT) is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. The Company reviews the same at each balance sheet date and recognise MAT entitlement to the extent it will be utilised. The said asset is created by way of credit to the statement of profit and loss and included in deferred tax assets.

j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

k) Initial recognition and measurement

All financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial asset or financial liability which is not recognised at Fair Value Through

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

Profit and Loss, is initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue.

Regular way purchases and sales of financial assets are recognized on tradedate, the date on which the Company commits to purchase or sell the asset.

(ii) Subsequent recognition**A. Financial Assets**

On initial recognition, a financial asset is classified and measured at

- Amortised Cost;
- Fair Value Through Other Comprehensive Income (FVOCI); or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets. A financial asset is measured at amortised cost if it meets both of the following conditions and is not recognised as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Assessment whether contractual cash flows are solely payments of principal and interest (SPPI)

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin. In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets.

Business model assessment

The Company determines its business model at the level that best reflects how it manages

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

Financial assets: Subsequent measurement and gains and losses

Financial assets measured at FVTPL These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.

Financial assets measured at FVOCI These assets are subsequently measured at fair value. Dividends are recognised as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial assets measured at Amortised Cost These assets are subsequently measured at amortised cost using the effective interest rate method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Investment in subsidiaries and step down subsidiaries (Others) These assets are recognised at cost and are not adjusted to fair value at the end of each reporting period. Cost of investment represents amount paid for acquisition of the said investment. The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

B. Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is also recognised as profit or loss respectively.

(iii) Derecognition

A. Financial Assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

B. Financial Liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

(iv) Impairment of financial instruments

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not Fair Value Through Profit and Loss. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Measurement of expected credit loss

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows which the Company expects to receive).

(v) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

l) Asset Classification and Provisioning

Loan asset classification and requisite provision made under RBI prudential norms are given below:

Particulars	Criteria	Provision
Standard asset	The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business.	0.40% of the outstanding loan portfolio of standard assets

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

Particulars	Criteria	Provision
Sub-standard assets	An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months.	10% of the outstanding loan portfolio of sub-standard assets
Loss assets	An asset for which, interest/principal payment has remained overdue for a period of 12 months or more.	100% of the outstanding loan portfolio of loss assets.

The Company's portfolio is classified under stage 1 and there is no significant difference in provision made as per RBI prudential norm and IndAS-109 hence requisite disclosure has not given. It is considered as ECL Provision or RBI Norms whichever is higher.

m) Foreign Currency Transactions

Transactions in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated. Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise, except for exchange difference arising on re-statement of long-term monetary items that in substance forms part of Company's net investment in foreign operations, is accumulated in Foreign Currency Translation Reserve (component of OCI) until the disposal of the investment, at which time such exchange difference is recognised in the Statement of Profit and Loss.

n) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash at bank and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

o) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

p) Segment Reporting

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the company falls within one business segment viz. "investment and lending activities".

q) Earnings Per Share

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

r) Recent pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March, 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

1.3 Other Financial Policies

a) Borrowing Costs

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use. Ancillary costs incurred in connection with the arrangement of borrowings are adjusted with the proceeds of the borrowings and recognised using the Effective Interest Rate (EIR) method. Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

b) Leases

Company as a lessor

When the Company is the lessor, the lease are classified as either a finance lease or an operating lease. A finance lease is a lease which confers substantially all the risks and rewards of the leased assets on the lessee. An operating lease is a lease where substantially all of the risks and rewards of the leased asset remain with the lessor. Amounts due from lessees under finance leases are recorded as receivables. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

21.01 Nature and purpose of reserve**(i) Security Premium**

This Reserve represents the premium on issue of shares and can be utilized in accordance with the provisions of the Companies Act, 2013.

(ii) Reserve fund in terms of section 45-IC(1) of the Reserve Bank of India Act, 1934

Reserve fund represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act"). In terms of Section 45-IC of the RBI Act, a Non-Banking Finance Company is required to transfer an amount not less than 20 per cent of its net profit to a Reserve Fund before declaring any dividend. Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

(iii) General reserve

It represents appropriation of profits by the board of directors. The said reserve is available for payment of dividend to shareholders as per the provisions of the Companies Act, 2013.

(iv) Retained Earnings

Retained earnings are profits earned by the Company after transfer to general reserve, Reserve fund in terms of section 45-IC(1) of the Reserve Bank of India Act, 1934 and payment of dividend to shareholders.

(v) Other Comprehensive Income

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

The following Method and assumption were used to estimate the fair values

- a Fair value of cash and bank, loans, other receivables, other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b Fair value of investment in subsidiaries are measured at cost hence not disclose in above table

(B) Fair value hierarchy**The categories used are as follows:-**

Level 1: Quoted prices / net assets value for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value as at 31st March 2026 and 31st March 2025

During the year ended 31st March, 2026 and 31st March, 2025, there were no transfers between Level 1, Level 2 and Level 3 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

Valuation technique used to determine fair value

- i) The fair value of investments in quoted equity shares and mutual funds are based on the current bid price of respective investment as at the balance sheet date.
- ii) In case of unquoted equity shares and preference shares, the Company has used valuation report of external valuer. Valuation was derived using discounted cash flow method which was based on present value of the expected future economic benefit.

Note 41 : Financial Risk Management objectives and policies

The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors. The Company's Board of Directors has overall responsibility for managing the risk profile of the Company. The purpose of risk management is to identify potential problems before they occur, so that risk-handling activities may be planned and invoked as needed to manage adverse impacts on achieving objectives.

The Risk Management Committee of the Company reviews the development and implementation of the risk management policy of the Company on periodic basis. The Risk Management Committee provides guidance on the risk management activities, review the results of the risk management process and reports to the Board of Directors on the status of the risk management initiatives. The Company has exposure to the following risks arising from financial Instruments:

41.01 Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's other receivables, cash and cash equivalents, and financial assets measured at amortised cost. Exposure to credit risk is mitigated through regular monitoring of collections, counterparty's creditworthiness and diversification in exposure.

(i) Exposure to credit risk

The carrying amount of financial assets represents maximum amount of credit exposure. The maximum exposure to credit risk is as per the table below, it being total of carrying amount of cash and cash equivalent, trade and other receivables and financial assets measured at amortised cost.

Particulars	As at 31 st March, 2026	As at 31 st March, 2025
Maximum exposure to credit risk	18,076.74	16,775.57

(ii) Expected Credit Loss (ECL) on financial Assets

The Company continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 month ECL (12m ECL) or life time ECL (LTECL), the Company assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Company applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- Historical trend of collection from counterparty
- Company's contractual rights with respect to recovery of dues from counterparty
- Credit rating of counterparty and any relevant information available in public domain

Notes *forming part of the standalone financial statements for the year ended 31st March, 2026*

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with contract and the cash flows that the Company expects to receive). The Company has three types of financial assets that are subject to the expected credit loss:

- Cash and cash equivalent
- Other receivables
- Investment in debt securities measured at amortised cost

The Company has made provision as per RBI prudential norm and there is no significant difference in provision made under IndAS-109 and as per RBI prudential norm.

(iii) **Other Receivables**

Exposures of receivables are reviewed at the end of each reporting period by the Company to determine expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. As the Company has a contractual right to such receivables as well as the control over such funds due from customers, the Company does not estimate any credit risk in relation to such receivables.

(iv) **Cash and Cash Equivalents**

The Company holds cash and cash equivalents and other bank balances as per note 2 and 3. The credit worthiness of such bank is evaluated by the management on an ongoing basis and is considered to be high.

(v) **Investment in Debt Securities**

The Company has made investments in debt securities. funds are invested after taking into account parameters like safety, liquidity and post tax returns etc. The Company avoids concentration of credit risk by spreading them over several counterparties with good credit rating profile and sound financial position. The Company's exposure and credit ratings of its counterparties are monitored on an ongoing basis.

41.02 **Liquidity Risk**

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms. To limit this risk, management has adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. The Company has developed internal control processes for managing liquidity risk.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow.

Notes forming part of the standalone financial statements for the year ended 31st March, 2026

(Rs. in Lakhs)

The Company assesses the liquidity position under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Company.

Exposure to Liquidity Risk

The table below analyses the Company's financial liabilities into relevant maturity pattern based on their contractual maturities for all financial liabilities.

41.03 Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as interest rates, other prices). The Company is exposed to market risk primarily related to interest rate risk and price risk.

(i) Interest Rate Risk

The Company's investments are primarily in fixed rate interest / dividend bearing instruments. Accordingly, the exposure to interest rate risk is also insignificant.

(ii) Price Risk

Price risk is the risk that the value of the financial instrument will fluctuate as a result of changes in market prices and related market variables including interest rate change whether caused by factors specific to an individual investment, its issuer or the market. Notes *forming part of the standalone financial statements for the year ended 31st March, 2026***Note 44 : Significant accounting judgements, estimates and assumptions**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractual, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimating the uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Impairment of non-financial asset

Impairment exists when the carrying value of an asset exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. In such cases, the fair value less costs of disposal calculation is based on available data, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(Rs. in Lakhs)

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note No. 40 and 41 for further disclosures.

Independent Auditor's Report

To the Members of

SIL INVESTMENTS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of SIL Investments Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company, its subsidiaries and its step down subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31st March, 2026, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated cash flows statement, the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at 31st March, 2026, and their consolidated loss (including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have identified the following matters as key audit matters to be reported in our report:

Independent Auditor's Report

Key audit matters	How our audit addressed the key audit matter
Valuation of Investments	
Refer Note No. 6 to the consolidated financial statements. As at 31st March, 2026, the total carrying value of investments was Rs. 2,67,496.38 Lakhs. Investments include quoted and unquoted equity shares, bonds, alternate investments funds and mutual funds. Fair valuation of unquoted investments involves significant estimation uncertainty, subjective assumptions, and the application of significant judgment. This was an area of focus for our audit and the area where significant audit effort was directed.	Principal audit procedures followed: • Understanding of the process, evaluating the design and testing the operating effectiveness in respect of valuation of investments by management. • Evaluating management's controls over collation of relevant information used for determining estimates for valuation and impairment testing of investments. • Reconciling the financial information mentioned in fair valuation and underlying source details. Also, testing the reasonableness of management's estimates considered in such assessment. • Obtaining independent valuation reports of investments in unquoted investments and involving valuation specialist to test the appropriateness of the fair value of these investments. • Assessing the factual accuracy and appropriateness of the financial statement disclosures made in the financial statements in respect of investments.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Report on Corporate governance and Business Responsibility report but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (Consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

Independent Auditor's Report

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
3. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditor's Report

5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- 1) We did not audit the financial statements of RTM Investments and Trading Company Limited, RTM Properties Limited, SCM Investment & Trading Company. Limited. and SIL Properties Limited. included in the consolidated annual financial statements, whose financial statements reflect the Group's share of total assets of Rs. 72,724.36/- lakhs as at 31st March 2026, Group's share of total revenue for of Rs 866.87/-lakhs, total net profit of Rs. 414.17 lakhs, total comprehensive income of Rs. (2,750.66) lakhs for the year ended on that date and the Group's share of net cash inflows/(outflow) of Rs. (186.53) lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.
- 2) SIL International Pte Ltd. (foreign subsidiary) whose financial statements reflect total assets of Rs.4,994.69 lakhs as at 31st March 2026, Group's share of total revenue for of Rs. 184.85 Lakhs, total net profit of Rs. 117.69 lakhs and net cash inflow/(outflow) of Rs. (3,806.65) lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These subsidiary's financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which has been audited by other auditor under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. These financial statements in so far as it relates to amount and disclosures in respect of foreign subsidiary company, is based solely on the financial results prepared and certified by the management. In our opinion and according to the information and explanations provided to us by the Board of directors, these financial statements are not material to the Group.

Our opinion on the consolidated Ind AS financial statements, and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of

Annexure "A"

to the Independent Auditor's Report

Annexure "A" to the Independent Auditor's Report of even date on the Consolidated Ind AS financial statements of SIL Investments Limited for the year ended 31st March 2026.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2026, we have audited the internal financial controls over financial reporting of **SIL Investments Limited** (hereinafter referred to as the "Company") and its subsidiary and step down subsidiaries companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Boards of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Annexure “A” to the Independent Auditor’s Report

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company, its subsidiary and step down subsidiaries companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal financial control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 2 subsidiary and 2 step down subsidiaries companies incorporated in India is based on the corresponding reports of the auditors of such companies incorporated in India.

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026***1 Group Overview, Basis of Preparation & Material Accounting Policies****1.1 Reporting Entity**

The Consolidated Financial Statements comprise financial statements of SIL Investments Limited ("the Company" or "Parent") and its subsidiaries step-down subsidiaries (collectively, "the Group") for the year ended 31st March, 2026. The Company is having its registered office situated at Pachpahar Road, Bhawanimandi, Rajasthan-326 502. The Company is a Non Deposit taking-Systemically Important (ND-SI) NBFC, registered with the Reserve Bank of India ('RBI') and engaged in the business of investment and lending activities. Equity Shares of the Company are listed on BSE Limited and National Stock Exchange of India Limited.

1.2 Material Accounting Policies**a) Basis of Presentation**

These Company financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act, as amended from time to time and other accounting principles generally accepted in India along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI.

These financial statements were authorised for issue by the Board of Directors at their meeting held on 12th May, 2026.

The Group presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 47.

b) Basis of consolidation

The Consolidated Financial Statements incorporate the financial statements of the Company and entities controlled by the Company. Control is achieved when only if the Group:

- has power over the investee;
- is exposed or has rights to variable return from its involvement with the investee, and
- has the ability to use its power over the investee to affect its returns.

The Group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Group has less than a majority of the voting or similar rights of an investee, the Company considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

- The contractual arrangement with the other vote holders of the investee.
- Rights arising from other contractual arrangements.
- The Group's voting rights and potential voting rights.
- The size of the Parent Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income, expenses and other comprehensive income of a subsidiary acquired or disposed of during the year are included in the Consolidated Financial Statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the Consolidated Financial Statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the Consolidated Financial Statements to ensure conformity with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on March 31.

Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses, other comprehensive income and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the Consolidated Financial Statements at the acquisition date.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- Eliminate in full intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intra group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intra group losses may indicate an impairment that requires recognition in the Consolidated Financial Statements. Appropriate adjustments for deferred taxes are made for temporary differences that arise from the elimination of unrealised profits and losses from intra group transactions or undistributed earnings of Group's entity included in consolidated Profit & Loss, if any.

Business combinations and goodwill

Business combinations are accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, 'Income Taxes' and Ind AS 19, 'Employee Benefits', respectively.

Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the Consolidated Statement of Profit & Loss in the period in which they are incurred.

Goodwill represents the future economic benefits arising from a business combination that are not individually identified and separately recognised. Goodwill is carried at cost less accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquire are assigned to those units.

c) Basis of measurement

These consolidated financial statements have been prepared on a historical cost basis except for following assets and liabilities which have been measured at fair value:

- i) financial instruments** - fair value through other comprehensive income (FVOCI) ;
- ii) financial instruments** - fair value through profit and loss (FVTPL).

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group take into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in the financial statements is determined on such a basis, except measurements that have some similarities to fair value but are not fair value, such as value in use in Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

- Level 1 inputs are quoted prices/net asset value (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

d) **Functional and presentation currency**

Indian Rupee (Rs.) is the Company's functional currency and the currency of the primary economic environment in which the Company operates. Accordingly, the management has determined that financial statements are presented in Indian Rupees (Rs.). All amounts have been rounded-off to the nearest lakhs upto two decimal places, unless otherwise indicated.

e) **Investment Property**

Recognition and measurement

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any.

Depreciation

Depreciation on investment property has been charged at Straight Line Method with reference to the economic useful life of its property, plant and equipment as prescribed by Schedule II of the Companies Act, 2013.

f) **Property, plant and equipment**

Recognition and measurement

Property, Plant and Equipment ('PPE') are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably.

Expenditure incurred after the PPE have been put into operations, such as repair and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

Capital work in progress includes cost of assets at sites, construction expenditure and interest on the funds deployed less any impairment loss, if any.

The estimated useful lives and residual values of the PPE are reviewed at the end of each financial year.

PPE, individually costing less than Rupees five thousand, are fully depreciated in the year of purchase.

Gains or losses arising from the retirement or disposal of PPE are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation on PPE is provided on Straight Line Method using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013. Depreciation on the PPE added/disposed off/discarded during the year is provided from/up to the date when added/disposed off/discarded.

g) Other Intangible assets**Recognition and measurement**

Intangible assets, representing software are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The cost of assets comprises of purchase price and directly attributable cost of bringing the assets to working condition for its intended use.

Subsequent Measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Amortisation

The intangible assets are amortised using the straight line method over a period of three years, which is the management's estimate of its useful life. Amortisation on the intangible asset disposed off during the year is provided on pro-rata basis with reference to the date of disposal. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

h) Impairment of non-financial assets

At the end of each reporting period, the Group reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs.

i) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

Interest Income

Interest income is accounted for all financial instruments measured at amortised cost. Interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.

Interest income on all financial assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

Dividend Income

Dividend income is accounted for when the right to receive the income is established, which is generally when the shareholders approves the dividend.

Net Gain/Loss on Fair Value Changes

Any differences between the fair values of the investment in debt oriented mutual funds classified as fair value through the profit or loss, held by the Group on the balance sheet date is recognised as an unrealised gain/loss in the statement of profit and loss. In cases there is a net gain/loss in aggregate, the same is recognised in "Net gains or fair value changes" under revenue from operations .

j) Borrowing Costs

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use. Ancillary costs incurred in connection with the arrangement of borrowings are adjusted with the proceeds of the borrowings and recognised using the Effective Interest Rate (EIR) method. Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

k) Retirement Benefits**Short-Term Employee Benefits**

Liabilities for salaries and bonus, including non-monetary benefits, if any and accumulating leave balance in respect of employees' services up to the end of the reporting period, are recognised as liabilities (and expensed) and are measured at the amounts expected to be paid when the liabilities are settled.

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026***Defined Contribution Plan and Defined Benefit Plan**

Contributions to defined contribution schemes such as provident fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

Other Long-Term Benefits

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur."

I) Income tax

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to items recognised directly in Other Comprehensive Income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii. Deferred tax

Deferred tax is provided using the liability method on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Minimum Alternative Tax (MAT) is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. The Company reviews the same at each balance sheet date and recognise MAT entitlement to the extent it will be utilised. The said asset is created by way of credit to the Statement of Profit and Loss and included in deferred tax assets.

m) Leases**Group as a lessor**

When the Group is the lessor, the lease are classified as either a finance lease or an operating lease. A finance lease is a lease which confers substantially all the risks and rewards of the leased assets on the lessee. An operating lease is a lease where substantially all of the risks and rewards of the leased asset remain with the lessor.

Amounts due from lessees under finance leases are recorded as receivables. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

n) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial recognition and measurement

All financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability which is not recognised at Fair Value Through Profit and Loss, is initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue.

(ii) Subsequent recognition**A. Financial Assets**

On initial recognition, a financial asset is classified and measured at

- Amortised Cost;
- Fair Value Through Other Comprehensive Income (FVOCI); or
- Fair Value Through Profit and Loss (FVTPL).

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not recognised as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income (OCI) (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified and measured at amortised cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI or at FVTPL, if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Assessment whether contractual cash flows are solely payments of principal and interest (SPPI)

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets.

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

Business model assessment

The Group determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Group's business model is not assessed on an instrument

by instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Group's original expectations, the Group does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

Financial assets: Subsequent measurement and gains and losses

Financial assets measured at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the Statement of Profit and Loss.
Financial assets measured at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in the Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.
Financial assets measured at Amortised Cost	These assets are subsequently measured at amortised cost using the effective interest rate method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is recognised in the Statement of Profit and Loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. Any gain or loss on derecognition is also recognised as profit or loss respectively.

(iii) Derecognition

Financial Assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

Financial Liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

(iv) Impairment of financial instruments

The Group recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not Fair Value Through Profit and Loss. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk or the assets have become credit impaired from initial recognition in which case, those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Measurement of expected credit loss

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows which the Group expects to receive).

(v) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

o) Asset Classification and Provisioning

Loan asset classification and requisite provision made under RBI prudential norms are given below:

Particulars	Criteria	Provision
Standard asset	The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business.	0.40% of the outstanding loan portfolio of standard assets.
Sub-standard assets	An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months.	10% of the outstanding loan portfolio of sub-standard assets.
Loss Assets	An asset for which, interest/principal payment has remained overdue for a period of 12 months or more.	100% of the outstanding loan portfolio of loss assets.

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026***p) Foreign Currency Transactions**

Transactions in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated. Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise, except for exchange difference arising on re-statement of long-term monetary items that in substance forms part of Company's net investment in foreign operations, is accumulated in Foreign Currency Translation Reserve (component of OCI) until the disposal of the investment, at which time such exchange difference is recognised in the Statement of Profit and Loss.

q) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand, cash at bank and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. For the purposes of the Cash Flow Statement, cash and cash equivalents is as defined above, net of outstanding bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings in financial liabilities.

r) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

A present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities. Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

s) Segment Reporting

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. The business activity of the Group falls within one business segment viz. "investment and lending activities".

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

t) Earnings Per Share

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

u) Critical estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed at each Balance Sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

- **Provision for income tax and deferred tax assets -**

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

- **Fair value measurements -**

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

v) Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March, 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and bank, other receivables, loans and other financial assets and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Fair value of investments in subsidiaries are measured at cost hence not disclosed in above table.

(B) Fair value hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorised within the fair value hierarchy, described as follows:

Level 1 - Quoted prices in active markets;

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly; and

Level 3 - Inputs that are not based on observable market data.

(a) Financial assets and liabilities measured at fair value - recurring fair value measurements

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are:

- recognised and measured at fair value and

(b) measured at amortised cost.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value as at 31st March, 2026 and 31st March 2025.

	2,21,022.49	-	32,403.24	2,82,138.48	-	37,600.25

During the period ended 31st March, 2026 and 31st March, 2025, there were no transfers between Level 1, Level 2 and Level 3 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

Valuation technique used to determine fair value

- The fair value of investments in quoted equity shares, alternate investment funds and mutual funds are based on the current bid price of respective investment as at the balance sheet date.
- In case of unquoted equity shares, the Group has used valuation report of external valuer. Valuation was derived using discounted cash flow method which was based on present value of the expected future economic benefit.

Note 41 : Financial Risk Management objectives and policies

The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including interest rate risk and foreign currency risk), credit risk and liquidity risk. The company's overall risk management policy seeks to minimize potential adverse effects on company's financial performance.

41.01 : Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

(Rs. in Lakhs)

the Group's other receivables, cash and cash equivalents, and financial assets measured at amortised cost. Exposure to credit risk is mitigated through regular monitoring of collections, counterparty's creditworthiness and diversification in exposure.

(i) Exposure to credit risk

The carrying amount of financial assets represents maximum amount of credit exposure. The maximum exposure to credit risk is as per the table below, it being total of carrying amount of cash and cash equivalent, trade and other receivables and financial assets measured at amortised cost.

Particulars	As at 31 st March, 2026	As at 31 st March, 2025
Maximum exposure to credit risk	21,298.03	23,072.62

(ii) Expected Credit Loss (ECL) on Financial Assets

The Group continuously monitors all financial assets subject to ECLs. In order to determine whether an instrument is subject to 12 months ECL (12m ECL) or life time ECL (LTECL), the Group assesses whether there has been a significant increase in credit risk or the asset has become credit impaired since initial recognition. The Group applies following quantitative and qualitative criteria to assess whether there is significant increase in credit risk or the asset has been credit impaired:

- Historical trend of collection from counterparty
- Group's contractual rights with respect to recovery of dues from counterparty.
- Credit rating of counterparty and any relevant information available in public domain.

ECL is a probability weighted estimate of credit losses. It is measured as the present value of cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with contract and the cash flows that the Group expects to receive). The Company has three types of financial assets that are subject to the expected credit loss:

- Cash and cash equivalent.
- Other receivables.
- Investment in debt securities measured at amortised cost.

The Company has made provision as per RBI prudential norm and there is no significant difference in provision made under IndAS-109 and as per RBI prudential norm.

(iii) Other Receivables

Exposures of receivables are reviewed at the end of each reporting period by the Group to determine expected credit losses. Historical trends of collection from counterparties on timely basis reflects low level of credit risk. As the Group has a contractual right to such receivables as well as the control over such funds due from customers, the Group does not estimate any credit risk in relation to such receivables.

(Rs. in Lakhs)

(iv) Cash and Cash Equivalents

The Group holds cash and cash equivalents and other bank balances as per note 2 and 3. The credit worthiness of such bank is evaluated by the management on an ongoing basis and is considered to be high.

(v) Investment in Debt Securities measured at amortised cost

The Group has made investments in debt securities. Funds are invested after taking into account parameters like safety, liquidity and post tax returns, etc. The Group avoids concentration of credit risk by spreading them over several counterparties with good credit rating profile and sound financial position. The Group's exposure and credit ratings of its counterparties are monitored on an ongoing basis.

41.02 : Liquidity Risk

Liquidity risk is defined as the risk that the Group will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Group might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances. Such scenarios could occur when funding needed for illiquid asset positions is not available to the Group on acceptable terms. To limit this risk, management has adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. The Group has developed internal control processes for managing liquidity risk.

The Group maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow. The Group assesses the liquidity position under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Group.

Exposure to Liquidity Risk

The table below analyses the Group's financial liabilities into relevant maturity pattern based on their contractual maturities for all financial liabilities.

41.03 Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows related to financial instrument that may result from adverse changes in market rates and prices (such as interest rates, other prices). The Group is exposed to market risk primarily related to interest rate risk and price risk.

(i) Interest Rate Risk

The group's investments are primarily in fixed rate interest / dividend bearing instruments. Accordingly, the exposure to interest rate risk is also insignificant.

(ii) Price Risk

Price risk is the risk that the value of the financial instrument will fluctuate as a result of changes in market prices and related market variables including interest rate change whether caused by factors specific to an individual investment, its issuer or the market. The Group's exposure to price risk arises from investments in equity securities and debts securities are as follows:

Particulars	As at 31 st March, 2026	As at 31 st March, 2025
Maximum exposure to credit risk	2,54,605.32	3,29,763.49

The Company's exposure to equity securities risk arises from investments held by the Company and classified in the Balance Sheet as fair value through OCI / valued at cost. The Company's exposure to securities price risk arises from investments held in mutual funds, debt securities and classified in the balance sheet at fair value through profit or loss. NAV of these investments are available from the mutual fund houses. To manage its price risk arising from such investments, the Company has diversified its portfolio.

Sensitivity Analysis

The table below sets out the effect on profit or loss and equity due to reasonable possible weakening / strengthening

41.04 : Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Holding Company has long term investment, loans given and other receivables in/from foreign wholly owned subsidiary company. Therefore Holding Company's exposure to foreign currency risk is limited.

Note 42 : Capital Management

Equity share capital and other equity are considered for the purpose of Group's capital management. The Group manages its capital in a manner which enables it to safeguard its ability to continue as a going concern and to optimise returns to the Shareholders. The capital structure of the Group is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence. The funding requirements are met through operating cash flows and other equity. The management monitors the return on capital and the Board of Directors monitors the level of dividends paid to shareholders of the Group. The Group may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note 43 : Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

JUDGEMENTS

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Group, including legal, contractual, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimating the uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial

Notes *forming part of the consolidated financial statements for year ended 31st March, 2026*

year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Impairment of non-financial asset

Impairment exists when the carrying value of an asset exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. In such cases, the fair value less costs of disposal calculation is based on available data, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset.

Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note No. 36 and 37 for further disclosures.

The RTA of the Company has launched 'SWAYAM', Members Self-Service Portal, designed exclusively for the Members serviced by the RTA of the Company.
'SWAYAM' is a secure, user-friendly platform that empowers Members to effortlessly access information through a dashboard and avail various services in digital mode. Following are the key features and benefits of 'SWAYAM' Portal:
 - Updated status on electronic holdings across various companies serviced by the RTA and its subsidiaries.
 - Tracking of corporate actions.
 - Generate and track service requests / complaints raised on this portal.
 - Members holding shares in physical form can register on the said Portal only after updating their KYC details.
 The Members can visit and access the 'SWAYAM' Portal at <https://swayam.in.mpms.mufg.com>
9. As per the provisions of Section 72 of the Act, facility for making nomination is available to individuals holding shares in the Company. Members holding shares in physical form who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If the Member desires to opt-out or cancel the earlier nomination and record a fresh nomination, the Member may submit the same in Form ISR- 3 or Form SH-14, as the case may be. Members may download the said Forms from the Company's website under the weblink at <https://www.silinvestments.in/ImportantAnnouncementforPhysicalShareholders.aspx>
Members are requested to submit the said form to their DPs in case the shares are held in electronic form and to the RTA at investor.helpdesk@in.mpms.mufg.com in case the shares are held in physical form, quoting their folio no(s).

10. Pursuant to various SEBI Circulars, Members holding shares in physical form are required to furnish / update their PAN, KYC details, bank account details and nomination particulars.

The investor service requests forms for updation of PAN, KYC, Bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13, SH-14 and the said SEBI circular are available on our website www.silinvestments.in. In view of the above, we urge the Members to submit the Investor Service Request form along with the supporting documents to the Company / RTA at the earliest.

In accordance with above SEBI circulars, the Company has sent / will be sending out intimations to those Members, holding shares in physical form, whose PAN, KYC and / or Nomination details are not updated, requesting them to update the details.

Members who hold shares in dematerialized form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

11. Members may please note that SEBI vide its various circulars has mandated Listed Companies to issue securities in demat form only while processing service requests viz. issue of duplicate securities certificate; claim from Unclaimed Suspense Account; renewal / exchange of securities certificate; endorsement; sub-division / splitting of securities certificate; consolidation of securities certificates / folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR - 4, the format of which is available on the Company's website under the weblink at

<https://www.silinvestments.in/pdfs/ImportantAnnouncementforPhysicalShareholders/6.%20FORM-ISR-4.pdf>

Members holding equity shares of the Company in physical form are requested to kindly get their equity shares converted into demat / electronic form to get inherent benefits of dematerialization and also considering that physical transfer of equity shares / issuance of equity shares in physical form have been disallowed by SEBI.

Further, pursuant to the SEBI Circular dated 30th January 2026, effective from 02nd April 2026, the issuance of a Letter of Confirmation has been discontinued. Accordingly, Members submitting service requests are required to comply with the revised procedural requirements and submit the prescribed documents and information, as applicable, in accordance with the aforesaid SEBI Circular.

12. Members are requested:
- To quote their folio number / DP ID and Client ID in all correspondence.
 - To intimate changes, if any, about their name, postal address, e-mail address, telephone / mobile numbers, PAN, power of attorney registration, Bank Mandate details, etc. to their DPs in case the shares are held in electronic form and to the RTA in case the shares are held in physical form, in prescribed Form No. ISR-1 and other forms, quoting their folio number and enclosing the self-attested supporting document. Further, Members may note that SEBI has mandated the submission of PAN by every participant in the securities market.
13. SEBI vide circular nos. SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/131 dated 31st July, 2023 (updated as on 20th December, 2023), had issued guidelines towards an additional mechanism for investors to resolve their grievances by way of Online Dispute Resolution ('ODR') through a common ODR portal. Pursuant to above mentioned circulars, post exhausting the option to resolve their grievance with the Company / its RTA directly and through existing SCORES platform, the Members can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through our website at <https://www.silinvestments.in/>. Members can access the SEBI Circulars on the website of SEBI at <https://www.sebi.gov.in/> and the same are also available on the website of the Company at <https://www.silinvestments.in>
14. SEBI vide its Circular dated 06th February 2026, has simplified the process and documentation requirements for issuance of duplicate share certificates. Duplicate share certificates shall be issued only in dematerialized form. Members may refer to the FAQs and relevant forms available on the website of the Company's RTA, MUFG Intime India Private Limited at <https://web.in.mpms.mufg.com/faq.html>, for details of the applicable procedure and documentation requirements.

17. Dividend

- a) The Company has fixed Friday, 24th July, 2026 as the 'Record Date' for determining entitlement of Members to dividend for the financial year ended 31st March, 2026, if declared at the AGM.
 - b) The dividend of Rs. 2.50 per equity share of Rs. 10/- each (i.e. 25%), as recommended by the Board, if declared at the AGM, will be paid on or after 05th August, 2026, subject to deduction of tax at source, as applicable:
 - i. To all the Beneficial Owners as per the list of beneficial owners to be furnished by the National Securities Depository Limited and Central Depository Services (India) Limited in respect of the shares held in electronic form as at the end of the day on Friday, 24th July, 2026; and
 - ii. To all Members in respect of shares held in physical form, whose names are on the Company's Register of Members after giving effect to valid requests with respect to transmission / transposition of shares lodged with the Company as of the close of business hours on Friday, 24th July, 2026.

SEBI vide its circular dated 18th November, 2025 has mandated that the dividends shall be processed only in electronic mode, and payment through dividend warrants or cheques has been discontinued.

Members holding shares in physical form are requested to ensure that their folios are KYC compliant by registering / updating their PAN, contact details (including mobile number), bank account details and specimen signature with the Company / RTA. For this purpose, Members may submit the prescribed Investor Service Request Forms, namely ISR-1, ISR-2, ISR-3, SH-13 and SH-14, to the Company's RTA, MUFG Intime India Private Limited, on or before Friday, 24th July, 2026.

The above Investor Service Request Forms are also available on our website www.silinvestments.in.

Members holding shares in dematerialized form are requested to ensure that their bank account details are updated with their respective DPs.
 - c) Members holding shares in dematerialized form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend.
 - d) Pursuant to the Income Tax Act, 2025, Dividend declared or distributed or paid by a Company shall be taxable in the hands of the Members and the Company shall be required to deduct tax at source (TDS) at the prescribed rates from the dividend to be paid to Members at the time of distribution or payment of dividend. The tax so deducted will be paid to the credit of the Central Government. The TDS rate would vary depending on the residential status of the Members and the documents submitted by them and accepted by the Company/RTA in accordance with the applicable provisions of the Income Tax Act, 2025, including any amendments thereof.
- A resident individual Member with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 121, to avail the benefit of non-deduction of tax at source. Members are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate.

Non-resident Members, including Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs) can avail beneficial rates under tax treaty between India and their country of tax residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 41, any other document which may be required to avail the tax treaty benefits.

Kindly note that the aforementioned documents / declarations are required to be submitted to our RTA, MUFG Intime India Private Limited at its dedicated link mentioned below - <https://web.in.mpms.mufig.com/formsreg/submission-of-Form-121-41.html> on or before 24th July, 2026, 5:00 p.m. Indian Standard Time (IST) in order to enable the Company to determine and deduct appropriate TDS / withholding tax rate. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following statement sets out all material facts relating to item no. 5 mentioned in the accompanying Notice.

Item No. 5

In terms of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations, 2015"), where the annual consolidated turnover of the listed entity is upto Rs. 20,000 crore, any transaction(s) with a related party shall be considered material, if such transaction(s) entered into / to be entered into individually or taken together with the previous transactions entered into during a financial year, exceed 10% of annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, and shall require prior approval of Members by means of an ordinary resolution. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis.

Your Company, is a Non-Banking Financial Company (NBFC) (Investment Category), registered with Reserve Bank of India and is also listed on the Stock Exchanges. The core business of the Company is investment and lending of funds. The Company had advanced loans to various Qualified Bodies Corporate (QBCs) (including some of the below mentioned QBCs) in the ordinary course of its business and on an arm's-length basis and known parameters. The annual consolidated turnover (revenue from operations) of the Company as on 31st March, 2026, was Rs. 62.78 crore. The Company expects that its transaction(s) with the QBCs, will exceeds the materiality threshold as prescribed under Regulation 23 of the Listing Regulations, 2015. Hence, in line with the regulatory requirements, prior approval of the Members is being sought by way of an Ordinary Resolution for advancing loans to QBCs not exceeding the aggregate Rs. 225 crore.

The Audit Committee of the Company has conducted its independent evaluation of the material terms of the proposed transaction(s) with the QBCs. After a detailed review of the proposed RPTs including rationale, material terms, justification as to why the proposed RPT(s) are in the interest of the Company, the Committee has confirmed that the transaction(s) being executed are at an arm's length and is in ordinary course of business, in complete compliance with applicable regulations and industry standards and comparable with transactions with unrelated parties. The Committee has also reviewed and

taken note of the certificate placed before it, signed by the Director-in-Charge and Chief Financial Officer of the Company, confirming that the terms of the proposed RPT(s) to be undertaken with QBCs are in the interest of the Company. Based on this assessment, the Audit Committee has approved the transaction(s) proposed to be entered into with the QBCs.

Details of the proposed transactions with QBCs being related parties of the Company, including the limits and information pursuant to Industry Standards on Related party Transactions read with applicable SEBI Circulars and applicable provisions of the Companies Act, 2013, if any, and as placed before the Audit Committee for consideration while seeking prior approval of the proposed RPT(s) and information required to be placed before the Members is as follows:
